**Do Some Good - For Employees**

# About Do Some Good

**Do Some Good** connects people like you, charitable organizations, and businesses to make a meaningful impact in communities all across Canada. Your Good Company has chosen to join Do Some Good to support our mission and to support employees in the causes they care about.

This is software not only you can use as an employee; your friends and family members can use this too. We encourage you to invite the charities, non-profits, sports clubs and schools you care about onto the platform to continue to expand upon the positive impact made to your community.

# Benefits for YOU

## Positive impact to your local community

# Post a Story

Amid all the uncertainty, sharing stories of kindness and compassion goes a long way to bring people joy, ease anxiety, remind us of our humanity, and help people feel like they are still connected, keeping our community strong.

Post stories of Goodness on the Do Some Good platform, then share to social media and inspire others to do the same.

Remember to recognize those that are helping! @ Mention people, nonprofits or companies that are helping.

**BONUS:** In some areas, our stories are feeding into the Local Media! This means extra reach and exposure!

[Engage with your coworkers](#)

- Opportunities for employees to volunteer together
- Peer to peer recognition
- Co-workers can learn more about what their colleagues are doing in the community

# Help your Company Achieve Goals e.g. Log Hours

\***Tracking your hours is very important** for your company to be able to show your collective impact.

It will also further help causes and organizations you care about, as they need to track time to be able to apply for grants and other funding opportunities.
