

Welcome to Do Some Good!

Do Some Good connects people like you, charitable organizations, and businesses to make a meaningful impact in communities all across Canada. Your Good Company has chosen to join Do Some Good to support our mission and to support employees in the causes they care about.

This is software not only you can use as an employee; your friends and family members can use this too. We encourage you to invite the charities, non-profits, sports clubs and schools you care about onto the platform to continue to expand upon the positive impact made to your community.

As Jackie Mutcheson said, "It takes each of us to make a difference for all of us". Good Companies like yours and employees like you can help us build stronger communities.....together.

Thank you!!

-The Do Some Good Team
